Title: Amazing Tigers

Author: Sarah L. Thomson

Photographs: Wildlife Conservation Society

Topics/Themes: Wild animals, conservation

Vocabulary: camouflage, prey, territory, conservation

I. **INTRODUCTION (PREP QUESTIONS)**

a. Use the cover and title to predict what the story is about.

b. Is it a fiction or non-fiction, why do you think that?

- What do we already know about Tigers?
- Where do they live?
- Has anyone ever seen a Tiger?

II. **INTEGRATIVE STRATEGIES**

a. **During Reading:**

- P.4 What do the stripes help Tigers to do?
- P.13 Does anyone know what young Tigers are called?
- P.13 How much do you think you weighed when you were born?
- P.13 What is Julietta trying to do?
- P.15 What do you notice that's different about Tigers to most cats?
- P.22 What do you think has happened to all the Tigers?
- P.28 Why do you think that they want to put a collar on the Tigers?

b. **Post Reading:**

- How can we help Tigers?
- How can zoos help?
- Talk a little about the Wildlife Conservation Society (back page).
- So we know of any other animals that we need to help to conserve?
- What would happen if we don't help to conserve these animals?
- Do we know of any animal that are extinct?
